

DECLARATION OF TIMO SALLINEN

I. TIMO SALLINEN, do declare and say:

1. I am an employee of the assignee, Nokia Corporation, and am a resident citizen of Finland and was the supervisor of the person responsible for this case within the assignee corporation concerning the events described below.
2. Regarding the subject patent application, I received an email dated before June 17, 2002 (Exhibit A, date redacted) indicating a new Invention Report having to do with a Bluetooth RF based RF-tag read/write station (Figure 1 thereof attached hereto).
3. Under my supervision, this Invention Report was processed before the assignee's Patent Board and a decision for patenting the case was made on June 17, 2002 by the assignee's Patent Board, i.e., before June 18, 2002.
4. Under my supervision, the Invention Report was sent by email to the U.S. firm of Ware, Fressola, Van Der Sluys & Adolphson LLP for drafting on June 20, 2002.
5. Under my supervision, we received a draft patent application from the U.S. firm sent to us by email on June 24, 2002.
6. We replied to the U.S. attorneys immediately, telling them we would check with the inventors and inform them of any comments from the inventors.
7. We sent a revised version of the application back to the attorneys on June 26, 2002 with some changes made by the inventors and instructions to file the application with the changes.
8. We received a report from the U.S. attorneys on June 27, 2002 with a copy of a provisional application Serial No. 60/392,732 filed June 26, 2002.
9. All of the above events in which I participated took place in Finland which is a WTO country and was a WTO country at the time of these events.

10. The attached Exhibit B is a memo to the Payroll Office from me shortly after the filing date of the subject provisional application 60/392,732 in which I asked them to pay rewards to the inventors. The dates and amounts of the rewards have been redacted.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that all these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
